Issue No 5 - Friday 11th MAR

TERM 1 2022

From Mrs Haliday Drouin West Primary School Be Safe, Be Kind, Be Respectful, Be a Learner

Dear families,

Our athletics days at the Geoff Watt Track was absolutely fantastic! All day I witnessed determination, resilience, support and effort. To top it off the amount of parents, grandparents and special people that were there was just phenomenal. It just shows how amazing our school is.

Our students were just wonderful! I am so proud of each of every one of them!

A big THANK YOU and WELL DONE to our PE teacher Stacie Gardiner. Stacie did a fantastic job at organising the day and all the staff at DWPS complimented the effort with the great team work!

Next week, we have our School Council AGM on Tuesday at 7pm, our annual report will be available at this meeting. We still have some parent vacancies at this stage, the commitment is small, we meet 8 times a year on a Tuesday evening. Please either send an email to the school or talk to me if you are interested. It is a great way to help and meet others in our school community.

If school council isn't your thing and you still want to assist, we have other sub-committees including building and grounds, finance, OHSC and policies. Please just let me know if you would like to be involved.

This weekend, we have our Labour Day Public Holiday on Monday. Hopefully, it is a relaxing weekend for you and those going away, travel safe and enjoy making some more family memories.

Take care,

Kelly Halliday Principal

Traralgon Ready-Set-Connect Event

We warmly welcome teachers, support staff, parents and carers to attend our disability networking event, Ready-Set-Connect, being held for Traralgon and surrounding communities on Friday 8 April, from 10:00am – 12:30pm.

Ready-Set-Connect is an informative (and fun!) event based on a speed dating format. It connects teachers, support coordinators, parents and carers of people living with disability with NDIS disability service providers.

National and local service providers will be sharing information about their services and products. The event will help you keep in touch and up to date with services in your local community. In the space of two hours, you will build your connections and get to meet and know a variety of providers servicing your region.

It's FREE for Attendees! Come and join us. Let us know you are coming by registering as an Attendee.

Here are the event details. Click on the link below to register as an Attendee for the event:
