Parent/Teacher Interviews at the end of term
Parents wishing to catch up with their child’s class teacher are encouraged to arrange an appropriate time for a 10 minute meeting at the end of this term. This is an opportunity for parents to have a conversation about their child’s learning and follow up on any concerns that may need to be resolved.

Most teachers will be available in the last week of term on Tuesday Sept 13 and Wednesday Sept 14 from 3.30pm—5.30pm.

Parents are asked to book in an appointment time by adding their name to the booking sheet at the classroom. As we celebrate “Book Week” at Drouin West this week, I would encourage all families to spend time reading together and promoting the joy of sharing your favourite books. You make a difference by reading to and with your children.

Our new Building...Progress Report
We are getting closer…

Thanks to the efforts of Ged O’Riley on Saturday we have been able to adjust the doors in readiness for the floor coverings this week. I have been able to complete the painting of the skirting boards and prepare and undercoat the doors over the weekend.

We need volunteers to:
sand down and paint the doors
fill nail holes and touch up on Wednesday

We have all the paint and equipment needed.

Please can you let me know if you can help at this final stage.

Father’s Day Stall
Thank you so very much to all the wonderful parents that have made the Father’s Day Stall today such a great success. There is a lot of preparation and work that goes into these special events.

Thank you to Monica A, Janine, Monica T, Sarah, Julie, Jenelle, Meaghan, Lainie and Catherine.

Well Done!!!!

Car Line Access
Please do not use the carline between 2:15pm and 2:45pm on Wednesday 7th and Friday 9th September as the camp bus will need to have access to the road at those times.

It is with joy and sadness that we say goodbye to Shae Forster this week as she begins her maternity leave.

Shae is a much loved teacher at Drouin West and we know we will miss her gentle spirit and beautiful smile. Shae started her career with us in 2010 and has touched the lives of so many students over the years. On behalf of the school community, I would like to wish Shae and Danny the very best in the coming weeks ahead as they prepare for the arrival of their baby.

Book Week Character Dress Up Day
The excitement of dressing up as a book character proved to be a popular opportunity for creative and talented families on Friday. I am amazed at the effort and time parents put into some of the outfits.

Thank you to the families who went to the effort of helping their children dress up as a book character for Book Week on Friday. The parade was a great success and most people had a great time at the parade.

Thank you to Miss Trunchbull (Mrs Heath) who coordinated the parade and to the many parents who came along to make this a memorable event.

Boxes are available from the office at $1 each. Please fill and return the boxes by Wednesday 5th October to ensure that we can get them to the shipping point in time for them to travel overseas.

If you would like to bring a big helping of joy and love to children that would normally not experience such generosity, then this is a golden opportunity.

There are special shoe boxes available from the school office at $1 each. Each box comes with a leaflet explaining how to fill the shoe box and a special page where you can put some of your details. The children really appreciate the gifts, but they enjoy knowing the person that gave them such a special gift even more. For them it is such a huge delight to be able to know that there is someone that cares enough about them to spoil them a little.

there are also knitting, sewing and crocheting patterns if you would like to include a special handmade gift. Maybe you know some-one who is very good at making things and could ask them to help you.

Don’t forget to also pay your $9 shipping on the Samaritan’s Purse website so that you can track which country your box ends up going to.

**Registration day Sunday 11th September**
11am – 1pm Geoff Watt Track

National Science Week 2016

Ozobot Recounts

Have you ever seen a mini robot? Last Friday in 3/4A we were learning about Ozobot in Science. The first thing we did was look at a photo of a robot that will deliver pizza next year. Then Ms. Rendall explained Ozobot and National Science Week. We talked about the rules and expectations. Olly and his Dad made a track for Ms. Rendall to use as an example but sometimes it didn’t work. Next we got to make a track and put codes on it. We had to do it at the tables. We worked independently but we still got to talk about our work. I really liked the activity. I really enjoyed using the Ozobots.

Have you ever seen an amazing robot called Ozobot? Last Friday, Grade 3/4s learnt about Ozobot and it was at Drouin West PS and was fun. When the 3/4s came into the science lab I saw a poster and it said ‘National Science Week’ plus we were going to learn about Ozobot. Ozobot is a tiny robot that goes on the lines and codes. Next, we got to design tracks for Ozobot as well as we used epic coloured highlighter and the coloured highlighters were black, red, green and blue. My track looked like a coloured drawing. Last, we drew the tracks and also we got to use Ozobot. We made our tracks where we wanted Ozobot to go then we put Ozobot on the track and watched him go! That was one of the most marvellous days of my lifetime, also I feel like I really want one.

Have you played with Ozobot? On Friday the 19th of August 2016 3/4B were learning about Ozobot at D.W.P.S because it was National Science Week. First we went to the science room and watched a video about Ozobot. Then Ms Rendall taught us how to create an amazing super wowing track for funny Ozobot. Then we got a piece of paper and created our own bonzer track for Ozobot! Some didn’t work, because they were not thick enough. Then we tested the track with Ozobot. Last was the end of the lesson and we packed up then talked about what we had done. I love the lesson with Ozobot!
