Welcome Back!

Our 2022 school year has started off with such delight and happiness. It was fabulous seeing students faces this week and the classrooms are buzzing. You can see the tiredness kicking in towards the end of the week, as we all settle into school routines once again. It all takes time and readjustment, hopefully over the weekend, everyone gets a chance to rest up. The students have been phenomenal in working together in classrooms, re-connecting to peers and meeting new team-mates.

A big welcome to our new families and we really look forward in building our partnership together and making the most of your child's education journey.

A big thank you to everyone for their ongoing patience and support around all the COVID guidelines, we are all doing the best we can. Your support is so greatly appreciated.

We have welcomed two new teachers this year, Mr Sam Cheeseman who is teaching grade 2/3 and Miss Hayley Jessiman who is teaching grade 4/5. We also have welcomed Mrs Kasey Tymkin back part time from family leave and Mrs Justine Gooding who is back from her travels last year.

We are so lucky to have such great passionate educators at DWPS and we are all really looking forward to another great year.

Take care,
Kelly Halliday.
