CONSENT for PUBLICITY

Drouin West Primary School undertakes many exciting and innovative activities. We are proud of our teacher's commitment and our student's achievements and at times wish to acknowledge and promote everyone's efforts.

For the duration of your child's/children's enrolment at Drouin West Primary School, throughout the years there will be many occasions (EG. Thank you morning tea), events (EG. Assembly), excursion, camps and activities (EG. Crazy Hair Day, Footy Day, Camp) that we like to highlight as a means of promoting our wonderful school to the broader community. This can be done via newsletters, newspapers, school flyers, school website and other forms of promotional materials.

Students, families and staff also like to record and keep a memento of those occasions, events, excursion, camps and activities. It is wonderful to be able to look back on the special times that form our lives. This can be done via photos or digital imaging: requiring parent/guardian permission.

Students' work, photos or digital images will be identified with the students' first name, class or year number. If an individual photograph and full name is required, we will only publish this on the website with consent of the parent/guardian/carer.

All photography will be under the supervision of school staff or an adult appointed by staff.

As events are occurring we will remind you that publicity will be taking place, if your circumstances have changed and you no longer wish your child to take part please let the school know.

We require permission for your child's name and/or photo to appear in our historical or promotional materials described above.

Please complete and return the form below.

CONSENT FORM TO CONDUCT HEAD LICE INSPECTIONS

Permission to cover the duration of the student's school at: Drouin West Primary School

For the many families and teachers, of primary school aged children, head lice continue to create concerns. While it is known that head lice do not carry any infectious disease here at Drouin West, the Principal, teaching staff and school council have developed a parent-managed, head lice program to **help parents manage head lice**. A group of trained volunteer parents at the school have coordinated the program and it is fully supported by the Principal, teaching staff and the School Council.

Program goals include:

1. Reduce the spread of head lice.
2. Reduce the frustration and misinformation associated with head lice
3. Decrease the concerns regarding head lice within the school community
4. Protect families from misusing potentially harmful insecticide treatments
5. Promoting regular home based screening using a conditioner and comb method

We invite you to include your child in our screening program.

If you would like to include your child in our screening program the permission slip below needs to be completed and returned to the school. The program works best when the vast majority of children at the school are involved in a screening program.

If you would prefer to screen your child yourself, information on the best technique is available from the school office.

The volunteers will dry check all hair. **There are no toxic chemicals used in this method and no treatment is undertaken at the school.**

Regular updates about our program will appear in the newsletter. Interested parents are welcome to participate in the screening program /sessions. The names of the current volunteers are available from the school office.

If there are any questions please feel free to contact the school.

Thank you
Mrs Kelly Halliday
Principal
